Skills for Mishnah and Gemara:

We have developed Pathways in Torah Sheb'al Peh! Thirty concise booklets; each booklet teaching one skill with sources, guiding questions, conclusions and practice in unseen sources. Your students will feel challenged and experience independent thinking, and they will progress in skills, each at his/her own rate, toward the goal of independent learning of Gemara!

ADULTS

Skills for Torah Sheb'al Peh, Mishnah and Gemara:

Many adult learners never learned HOW to learn independently. We offer two programs to help adults learn how to learn; First, a series of skills booklets called Pathways in Torah Sheb'al Peh, and second, Talmud texts designed to build independent learning through use of the skills acquired in "Pathways".
